

## Kleen Stone Plus –Technical Data

### Description:

*EcoStone Solutions Kleen Stone Plus is a ready-to-use cleaner that is great for all types of natural stone, masonry, ceramic & porcelain tile and grout. This product was formulated to safely clean and protect natural stone.*

### Directions:

Always test in an inconspicuous area before general use & refer to product label for complete information.

1. Make sure surface is clean, vacuuming or sweeping off all debris.
2. Apply solution with trigger sprayer, moistened wiper, or soft cloth, then buff dry with a soft cotton cloth, absorbent paper towel.
3. To remove stubborn stains or encrustations, allow solutions to remain on surface for 5 minutes and agitate with a white pad, sponge, soft bristle brush, then buff dry.
